

The #1 Leader in Online Reputation Management

Collect and manage your reviews across the internet.
Use the power of social proof to attract new customers.

Automatically collect customer reviews

Get more reviews without having to lift a finger. Birdeye allows you to automatically send review requests to your customers when they're most engaged.

Stay on top of reviews across the internet

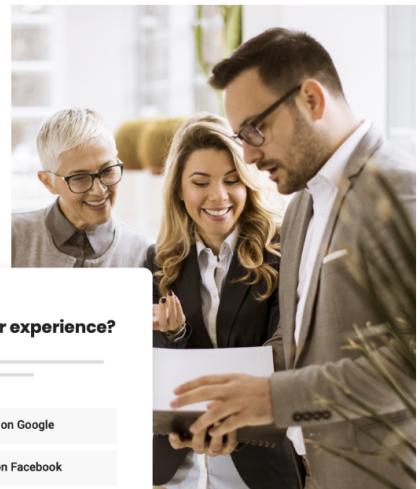

Get access to customer reviews, across every touchpoint, from every source – in one place. Birdeye allows you to monitor and respond to reviews from 200+ sites so you can have your finger on the pulse of customer opinion.

Use reviews to get more customers

Displaying your customer reviews increases trust, social proof, and sales. Birdeye allows you to automatically share your glowing reviews on social media and your website.

Get connected with prospects

Customer reviews help you get prospects to your website. Birdeye Webchat helps turn website visitors into customers. Connect with website visitors in real-time with Livechat and chatbot.

How was your experience?

-  Review us on Google
-  Review us on Facebook
-  Review us on Birdeye

“Birdeye really does it all. Collects every review you need and presents the information in a clean, user-friendly manner. Having previously used competitor reputation tools – there is no going back after discovering Birdeye.”

Jennifer Just, Eldorado Resorts Inc.
